## NOTIFICATION OF STATEMENTS OF NUTRITIONAL SUPPORT

This Notification is filed pursuant to § 403(r)(6) of the Federal Food Drug and Cosmetic Act (FDC Act), 21 U.S.C. § 343 (r)(6).

Name of dietary supplement: MSM Formula with White Willow

Statement(s) of nutritional support:

The natural ingredients in MSM Formula with White Willow provide the body with the necessary ingredients to build healthy cartilage and to increase joint comfort.

Increase joint comfort by helping prevent the breakdown of joint structures and helping to rebuild cartilage.

Chondroitin sulfate, in conjunction with vitamin C, aids in the production and stabilization of collagen, the main protein component of healthy connective tissue.

MSM, a natural form of sulfur, helps the body produce healthy connective tissue, promoting joint health, increasing joint comfort and maintaining flexibility.

White willow bark helps manage discomfort.

I certify that the information contained in this notice is complete and accurate, and that we have substantiation that the statement(s) is (are) truthful and not misleading. Two copies of this notification are enclosed with this original.
